What Does Happy Paws & Claws Do?

If you struggle to fit caring for your pet into a busy timetable, Happy Paws & Claws can help. We've been caring for pets for years and have experience with many different breeds.

Operating throughout Newcastle and North Tyneside, Happy Paws & Claws takes care of your dogs, cats and other small pets while you're at work, on holiday, or if you just need some extra help.

Call us to arrange a home visit and benefit from friendly, local and reliable service.

Walking Your Dogs

Arrange for Happy Paws & Claws to come and walk your dog at a prediscussed time or on a daily or weekly basis. A bulk discount applies to regular slots (e.g. Mondays at 5pm) or if you book three or more walks in a week.

We'll collect your dog from your home and take it for a walk. These walks last a minimum of one hour and we'll make sure the dog gets plenty of exercise. Longer walks can also be arranged. See our price list for more information.

Holiday Homes

Happy Paws & Claws can also provide your smaller pets, such as rabbits, guinea pigs and hamsters, with a holiday home while you're away. We'll collect your pet along with their cage/hutch, hay, sawdust and food, and deliver them back to you when you return.

Home Visits for Dogs

Happy Paws & Claws recommends home visits for bitches that are in season, older dogs that can no longer walk very far, and dogs that are unfriendly to other dogs.

What we do:

- 🐾 We give your dog access to your garden, play with them and give them a few treats.
- 🐾 We put out fresh water and food supplied by you (only if required).
- 🐾 We towel-dry and brush your dog's coat in cold or wet weather.

Home Visits for Cats and Pets

Home visits allow your cats and small pets to stay in their own environment while you're away.

What we do:

- 🐾 We feed them with food supplied by you and give them fresh water.
- 🐾 We clean their feeding area and bowls.
- 🐾 We change and clean their litter trays using fresh litter supplied by you.
- 🐾 We play with your pet, if that's what they want!
